# School Board Has Another Busy Year!

The School Board members are as follows: Front Row: Frank Nielson, Buford Floy, Roger Fekkers, Ormal Pals. Back Row: Paul Kjar (Secretary), Gary Schichtl, Dale Lage, Bud Nissen, Ralph Timm (President).

The Board of Education, composed of seven citizens elected by the voters of the district, was entrusted with the responsibility of working for and with professional educators for the educational welfare of children.

The board, organized and operated under the laws of Iowa, had its own rules and regulations, and the expressed will of the electorate.

There are many ways to state the responsibilities or functions of school boards. In general, they are similar to the functions of the board of directors of a private corporation: to establish the organizational structure.

In addition to the regular monthly meeting, the board members gave many hours to individual study and extra meetings on the local and state level in order to deal effectively with school matters.

The only compensation for the time away from their personal lives was the knowledge of the important contributions they made to the community. This contribution merited the appreciation of the citizens of the community.

# A d m i n i s t r a t i o n

The American poet Carl Sandburg said it as well as it has probably ever been said, when he wrote the following lines:

"Some sacred seed lurks in each human personality, no matter how lowly its arrival on earth. To give every such seed the deepest possible roots, and the highest possible flowering is in the vision and hope of those ideas of freedom and discipline which constitute the American Dream."

--Gary Schichtl

Life is divided into three terms--that which was, which is, and which will be. Let us learn from the past to profit by the present, and from the present to live better for the future.

--Dean Newlon

"It is what you do with what you have that really counts." This age old statement is as applicable today as in the past. No two people can be expected to achieve at the same level, but all can achieve to the best of their ability. In education we must both encourage and allow this to evolve.

My hobbies are reading books, photography, sewing, bike riding, painting, listening to music (especially classical), gardening, going for walks, and many others.

My favorite classes in Sweden are Art, History, French, English, Chemistry, Physics and Religion.

Front Row, 1 to r: Alvin Deike, David Meinders, Jeff Kaduce, Barry Groh, Reese Gaetzke. 2nd Row: Andy Faaborg, Randy Ruiter, Mr. Dunbar (Coach), Darwyn Pals, Doug Halfpap.

Baseball won 1 game and lost 12. The Lancers seemed to be in most games until late innings when the pitching staff seemed to slim down. The lone win was by Reese Gaetzke against Rockwell-Swaledale. In that game Andy Faaborg got the key hit to drive in the winning run. Although the season was not successful in the won and loss column, many young fellows received important experience. Leading hitters were Andy Faaborg and Darwyn Pals.

1st Row (left to right): David Dorenkamp, Kevin Meints, Scott Nicolet, Daryl Love, Dean Avery, Scot Sprau, Steve Miller, Jay Butler, Rick Hagen, Marc Pals, Micky Buseman, Brian Nissen. 2nd Row: Dennis Brady (manager), Tom Halsne, Mark Fischer, Mickey Krietlow, Dan Barz, Darwin Ruiter, Dan Ruiter, Steve Schmidt, Steve Oppermann, Barry Groh, Jeff Kaduce. 3rd Row: Mr. Penn (ass't. coach), Dennis Avery, David Meinders, Andy Faaborg, Brad Gruis, Tom Ward, Randy Ruiter, Darwyn Pals, Kevin Sprau, Chuck Gifford, Randy Pals, Mr. Dunbar (coach).

The 1972 grid-iron team was led by first team all-conference players Steve Schmidt and Steve Oppermann, second team all-conference Randy Ruiter. These fellows were grouped with our other seniors Ricky Hagen (honorable mention all-conference), Tom Ward, Jay Butler, Darwyn Pals, Brian Nissen and Mickey Krietlow.

The Lancers completed the season with a four and four record. The Lancers were victorious against Dumont, Corwith-Wesley (homecoming), Klemme, and Cal.

The Lancers leading ground gainer was Steve Oppermann, leading individual tackler for the Lancers and a new school record was Steve Schmidt. The Lancer squad chose Randy Ruiter and Steve Oppermann as team co-captains.

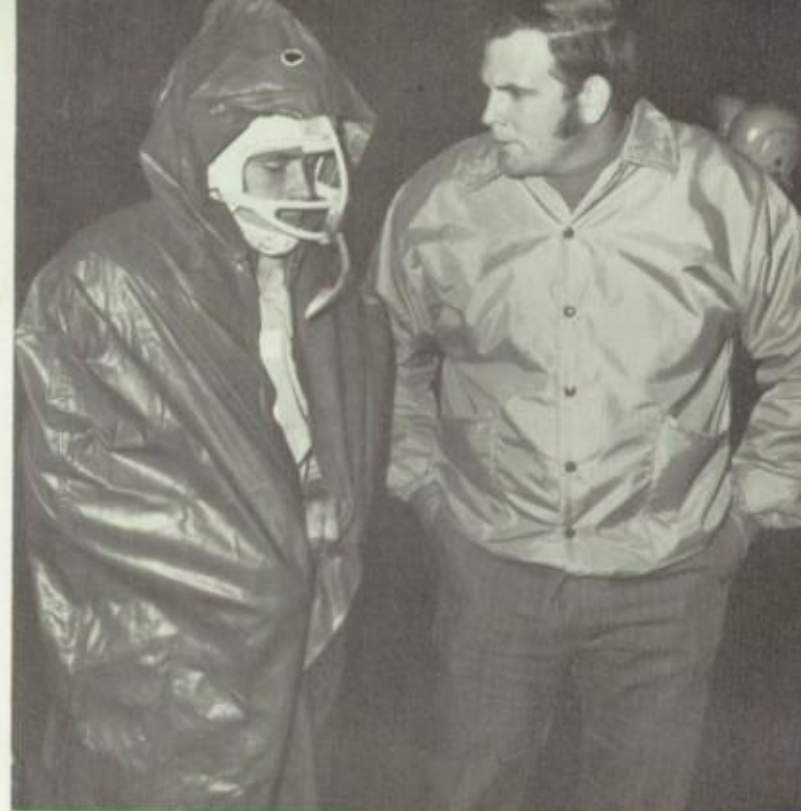

Underclassmen who helped the Lancers this past fall and will be returning next fall are, Barry Groh, Chuck Gifford, Mark Fischer, Kevin Sprau, Randy Pals, Scott Sprau, Denny Avery, Brad Gruis, Scott Nicolet.

The Lancerettes were defeated in the finals of the regional by Allison-Bristow, just one game away from the state tournament, this is farther than any M-T girls team has advanced in tournament play.

Leading scorer for the Lancerettes was Sherri Koenen with an avg. of 29.6 points per game as she broke the career scoring record, followed by Jan Jacobsen with a 19.1 point avg., and Pam Schoneman with 16.

Roxanne Ruiter led the guard court in rebounding with 204 and in steals with 159, both school records, followed by Maureen Ingebretson with 131 and Marcia Schlichting with 105 rebounds. Jody Lage, Vanessa Kessler and Teri Galbreath all played good defense for the Lancerettes.

## Teams Set Many New Records

The Lancers set five new school marks this year. The strength of the Lancer track team was centered around the sprints and field events the past season. Records were established in these areas: Brian Nissen set the pace as he cleared 6'0 in the high jump to rank him in the top four class "C" jumpers in the State. Brian was also conference champion. Mick Kreitlow set a new mark in the pole vault with a jump of 10'0. Barry Groh lowered the 100 dash standard to 10.4, and Alvin Deike did the same in the 220 dash with a time of 23.3. The 440 relay (Mark Fischer, Steve Oppermann, Barry Groh, and Alvin Deike) was a strong threat throughout the year and also established a new school mark of 46.4, ranking them as the eighth fastest unit in the State.

The finest team showing was at the Bronco Relays where they came up 3 points short of winning the team title.

Good form Randy.

1st Row, 1 to r: Koleen Kriens, Barb Floy, Dorie Ann Nielsen, Darlene Guth, Nan Engebretson, Suzie Mabb, Betty Slusher, Mr. Dunbar (Coach). 2nd Row: Lisa Groh, Jan Jacobson, Jenee Lage, Vanessa Kessler, Jody Lage, Darla Schmidt, Stephanie Floy, Regina Floy, Kim Floy.

Girls--M-T's leading girls golfer Jan Jacobsen once again missed most of the golf season with illness. Some girls came on late in the season which shows promise for next year's golferettes. These girls are Dorie Nielsen, Lisa Groh, Vanessa Kessler, Jenee Lage, and Suzie Mabb. They won 3 and lost 7. Finished fifth in the conference golf meet.

Boys--The golf team was made up of six boys of whom only two had golfed prior to this spring. Barry Groh, and Billy Vierkant had previous experience but the rest of the team is young and will need a lot of work to be competitive next season. They won 2 and lost 7. Finished fourth in the conference golf meet.

Student teaching was a new idea that was tried at M-T this year and there was a very good turn out. One, two, and even in some cases, three times a week these students gave up their study halls to tutor at the elementary building in Meservey. Checking papers, making posters, cutting out jack-o-lanterns were among the various jobs of these students.
